

Maria Beltran
Jobelsa Commercial Manager

To whom it may concern:

I am pleased to share that I personally have the chance to have Mrs Christina Rodriguez as part of the Commercial Team of Jobelsa in the role of Key Account Manager, and I can vouch for her moral qualities, her great capacity for work and her spirit of self-improvement.

Christina has demonstrated her skills to build long term relationships with complex customers and at the same time archive the company goals. She has covered a wide variety of roles during the activities and her contribution to the well-functioning of the Commercial Department has been remarkable.

I am sure that Christina will respond satisfactorily to the tasks and goals assigned and that is why I have no hesitation in recommending her.
