Keeps her work updated and always is able to propose new steps and solutions for the processes and procedures.

Dunia is kind of her, great team member, well related to the others and prompt to help.

I have had Dunia as part of my team for the last two years and I can attest to her loyalty, transparency and sincerity.

I remain available to anyone who may need it for more detailed information about this letter of recommendation. For this, you have my telephone number and e-mail in the heading of this letter.
